

Job description

Supportive Roommate

About us

Resicare Society of Calgary consists of a team of professionals who are dedicated and committed to providing comprehensive integrated and high quality support services to disabled individuals.

We are seeking an experienced Supportive roommate to support our 50yr old Male individual with developmental disabilities. He has a Developmental Disability, Anxiety, Diabetes, Hypertension, Heart conditions and Hypothyroid. The client requires some help with cooking (he has developed many skills in this area), cleaning and maintaining his home. **The client would like a basement suite with a full kitchen as he likes to have his own privacy. He is a very private person and tends to keep the conversation light. Preferably, the support home should be in the SW or SE location close to a bus stop or LRT.**

BASIC JOB DESCRIPTION:

Supportive Roommates provide high quality services and supports to client(s) consistent with the mission and vision of Resicare Society of Calgary. Primary work is conducted out of own residence with the emphasis on residential and community based activities.

EDUCATION / EXPERIENCE REQUIRED:

- Diploma or equivalent formal education in Rehabilitation Services, Social Sciences or related discipline. A valid First Aid/CPR and medication administration certification are required. A recent police clearance check is **REQUIRED** upon interview. Must have a valid class 5 driver's license with a \$2 million liability and car must be able to accommodate a client. Home insurance liability should be \$2 million as well.
- Qualifications and experience that position the person to provide a broad range of general and often specialized services to individuals with disabilities.
- Demonstrate oral and written skills to meet planning and reporting requirements.
- Must have the ability to work effectively in a collaborative, team-oriented environment.
- Maintain agency mandatory training requirements and obtain specialized training as required.
- An equivalent combination of education and experience will be considered.

RESPONSIBILITIES:

- Assisting and supporting individual in the establishment and maintenance of shared, respectful relationships within the community, with a view to meaningful participation and inclusion.
- Being aware of the individual's physical, social and recreational environment and taking action to minimize risks and maximize participation/ inclusion.
- Being aware of and adhering to established policies, practices and operational protocols.
- Assisting individuals to develop personal home living skills.
- Assisting, supporting and encouraging individuals to achieve their personal goals through the development of basic living and related skills.
- Assisting with the direct care, as required.
- Assisting and supporting individuals through advocacy.
- Ongoing monitoring and evaluating of client satisfaction.
- Maintaining clear and objective records and preparing required reports, and other documentation.
- Communicate in a professional, timely, accurate and respectful manner with individuals, families, guardians, staff and community representatives.
- Adhering to general professional ethics and confidentiality.
- Demonstrate professional documentation skills

Please send resumes to the email address provided.

ONLY THOSE MEETING THE ABOVE CRITERIA WILL BE CONTACTED FOR AN INTERVIEW.

Thank you for your interest!
